

A FIVE-QUESTION DECISION FILTER

BEFORE YOU ASK EVERYONE ELSE...

Answer these before the group chat gets a vote.

1 If nobody knew what I chose, what would I choose?

2 Which option makes me feel relieved when I imagine it being decided?

3 Am I choosing what I want - or what causes the least disappointment for everyone else?

4 Will this matter in six months?

5 What would I tell my best friend to do?

You do not need absolute certainty.

You need enough clarity for the next choice.
